

# LIBERAL STUDIES DEGREE OPTIONS

Many students enter the University with multiple interests that are not easily covered by a single or even double major. Increasingly, employers value candidates with interdisciplinary honours degrees, since they come to the workplace with a broad knowledge base as well as strong analytical and social skills. Students in the Liberal Studies Degree Programme choose areas of focus from within the Faculty of Humanities and Education and the Faculty of Social Sciences, and design courses of study based on individual interests and career ambitions.

The Liberal Studies Degree comprises a minimum of 90 credits distributed as follows:

- 1) 24 credits in each of at least two (2) Faculty of Humanities and Education disciplines;
- 2) 24 credits in a Faculty of Social Sciences discipline OR 24 credits in a third Faculty of Humanities and Education discipline;
- 3) 12-15 credits in Foundation courses (FOUN1016 OR FOUN 1019 and FOUN1002, FOUN 1201 and FOUN 1301);
- 4) A minimum of 3 credits in a foreign language course (unless exempted);
- 5) Up to 6 credits in electives.

No more than nine (9) of the 24 credits in each discipline can be taken at Level I towards the degree and at least six (6) credits in each discipline must be done at Level III.
